## Encision and HealthTrust Purchasing Group Sign Purchasing Agreement

Boulder, Colorado, June 1, 2010 -- Encision Inc. (OTCBB: ECIA), a medical device company owning patented surgical technology that is emerging as a standard of care in minimally-invasive surgery, announced today that it has entered into a purchasing agreement with HealthTrust Purchasing Group, LP ("HealthTrust"), effective June 1, 2010. The products designated in the agreement are "Laparoscopic Safety Instruments - Active Electrode Monitoring Laparoscopy".

"We are pleased to have contractual access to HealthTrust member facilities. These facilities enjoy a reputation for their high contract compliance," said Jack Serino, President and CEO of Encision Inc.

### **About HealthTrust Purchasing Group**

HealthTrust Purchasing Group, headquartered in Brentwood, Tenn., is a group purchasing organization that supports nearly 1,400 not-for-profit and for-profit acute care facilities, as well as ambulatory surgery centers, physician practices, and alternate care sites. With an annual purchasing volume by its members of more than \$17 billion, HealthTrust is committed to obtaining the best price for clinically recommended products, ensuring their timely delivery, and continuously evaluating and improving its services to the patients, physicians and clinicians it serves. The Web site is [www.healthtrustpg.com](http://www.healthtrustpg.com).

Encision Inc. designs, develops, manufactures and markets innovative surgical devices that allow surgeons to optimize technique and patient safety during a broad range of surgical procedures. Based in Boulder, Colorado, Encision pioneered the development of patented AEM<sup>®</sup> Laparoscopic Instruments to improve electrosurgery and reduce the chance for patient injury in minimally invasive surgery.

*In accordance with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, the Company notes that statements in this press release and elsewhere that look forward in time, which include everything other than historical information, involve risks and uncertainties that may cause actual results to differ materially from those indicated by the forward-looking statements. Factors that could cause the Company's actual results to differ materially include, among others, its ability to increase net sales through the Company's distribution channels, insufficient quantity of new account conversions, insufficient cash to fund operations, scale up production to meet delivery obligations, delay in developing new products and receiving FDA approval for such new products and other factors discussed in the Company's filings with the Securities and Exchange Commission. Readers are encouraged to review the risk factors and other disclosures appearing in our filings with the Securities and Exchange Commission. We do not undertake any obligation to update publicly any forward-looking statements, whether as a result of the receipt of new information, future events, or otherwise.*
